6. Each Party shall adopt and maintain procedures providing for the expeditious release of goods admitted under this Article. To the extent possible, such procedures shall provide that when such a good accompanies a national or resident of another Party who is seeking temporary entry, the good shall be released simultaneously with the entry of that national or resident.

7. Each Party shall permit a good temporarily admitted under this Article to be exported through a customs port other than that through which it was admitted.

8. Each Party, in accordance with domestic law, shall provide that the importer or other person responsible for a good admitted under this Article shall not be liable for failure to export the good on presentation of satisfactory proof to the importing Party that the good has been destroyed within the original period fixed for temporary admission or any lawful extension.

- (a) each Party shall allow a vehicle or container used in international traffic that enters its territory from the territory of another Party to exit its territory on any route that is reasonably related to the economic and prompt departure of such vehicle or container<sup>3</sup>

1. Each Party shall designate a Contact Point for Trade in Goods to facilitate communications amongst the Parties on any matter covered by this Chapter, including any request or information conveyed under Article 26.5 relating to measures of a Party which affects the operation of this Chapter.

2. Any Party (“the requesting Party”) may request *ad hoc* discussions to discuss any matter arising under this Chapter (including specific non-tariff measures), except a matter that could be addressed under a Chapter-specific consultation mechanism established under another Chapter, that the requesting Party believes may adversely affect its interests in trade in goods by delivering a written request to another Party (“the requested Party”) through the Contact Points for Trade in Goods of the requesting Party and requested Party. The request shall be in writing and identify the reasons for the request, including a description of the requesting Party’s concerns and an indication of the provisions of this Chapter to which the concerns relate. The requesting Party may provide all the other Parties with a copy of the request.

3. To the extent that the Party to which the request is directed considers that the matter which is the subject of the request should be addressed under a Chapter-specific consultation mechanism established under another Chapter, it shall promptly notify the Contact Points for Trade in Goods of the requesting Party including the reasons it considers that the request should be addressed under the other mechanism and forward the request and such notification to the Parties’ respective contact points designated under Article 27.5 (Contact Points) for appropriate action.

4. Within 30 days of receipt of a request under paragraph 2, the requested Party shall provide a written reply to the requesting Party. Within 30 days of the requesting Party’s receipt of the reply, the requesting and requested Parties (“the discussing Parties”) shall meet in person or via electronic means to discuss the matter identified in the request. If the discussing Parties choose to meet in person, the meeting shall take place in the territory of the requested Party, unless otherwise decided by the discussing Parties.

If the matter has not been resolved prior to receipt of such request and if discussing Parties agree, such Party may participate in the *ad hoc* discussions held under this Article subject to such conditions as the discussing Parties may decide.

6. If the requesting Party believes that the matter is urgent, it may request that any discussions take place within a time frame shorter than that provided for under paragraph 4. Any Party may request urgent *ad hoc* discussions where a measure:

- (a) is applied without prior notice or without an opportunity for Parties to avail themselves of the opportunities for *ad hoc* discussions provided in paragraphs 2, 3 and 4; and
- (b) may threaten to impede the importation, sale or distribution of an originating good which is in the process of being transported from the exporting Party to the importing Party, or has not been released from Customs control or is in storage in a warehouse regulated by the Customs Administration of the importing Party.

7. *Ad hoc* discussions under this Article shall be confidential and without prejudice to the rights of any Party, including being without prejudice to rights pertaining to dispute settlement proceedings under Chapter 28 (Dispute Settlement).

**Article 2.11: Import and Export Restrictions**

1. Except as otherwise provided in this Agreement, no Party shall adopt or maintain any prohibition or restriction on the importation of any good of another Party or on the exportation or sale for export of any good destined for the territory of another Party, except in accordance with Article XI of the GATT 1994 and its interpretative notes, and to this end Article XI of the GATT 1994 and its interpretative notes are incorporated into and made a part of this Agreement, *mutatis mutandis*.

6. In the event that a Party adopts or maintains a prohibition or restriction on the importation from or exportation to a non-Party of a good, no provision of this Agreement shall be construed to prevent that Party from:
- (a) limiting or prohibiting the importation of the good of the non-Party from the territory of another Party; or
  - (b) requiring as a condition for exporting the good of that Party to the territory of another Party, that the good not be re-exported to the non-Party, directly or indirectly, without being consumed in the territory of the other Party.
7. In the event that a Party adopts or maintains a prohibition or restriction on the importation of a good from a non-Party, the Parties, on the request of any Party, shall consult with a view to avoiding undue interference with or distortion of pricing, marketing, or distribution arrangements in another Party.
8. No Party may, as a condition for engaging in importation or for the importation of a good, require a person of another Party to establish or maintain a contractual or other relationship with a distributor in its territory.<sup>4</sup>

**TARIFF ELIMINATION**

**Section A: Tariff Elimination and Reduction**

1. The base rate of customs duty and staging category for determining the interim rate of customs duty at each stage of reduction for an item are indicated for the item in each Party's Schedule.
2. Interim staged rates shall be rounded down at least to the nearest tenth of a percentage point or, if the rate of duty is expressed in monetary units, as specified in each Party's Tariff Schedule.
3. (a) Except as otherwise provided in paragraph 4(a), when this Agreement enters into force for a Party pursuant to paragraph 1, 2, or 3 of Article 30.5 (Entry into Force):
  - (i) the rates of customs duties provided for in any tariff line in that Party's Schedule in any staging category other than "EIF" shall be initially reduced on the date of entry into force of this Agreement for that Party; and
  - (ii) except as otherwise provided in that Party's Schedule, the second stage of tariff reduction shall take effect on January 1 of the following year, and each subsequent annual stage of tariff reduction shall take effect on January 1 of each subsequent year.
- (b) Except as provided in paragraph 4(b)(i), when this Agreement enters into force for a Party pursuant to paragraphs 4 and 5 or Article 30.5 (Entry into Force):
  - (i) on the date of entry into force of this Agreement for that Party, that Party shall implement all stages of tariff reduction that it would have implemented up to that date as if this Agreement had entered into force pursuant to paragraphs 1, 2, or 3 of Article 30.5 (Entry into Force); and
  - (ii) except as otherwise provided in that Party's Schedule, the next annual stage of tariff reduction following those stages implemented pursuant to subparagraph (b)(i) shall take effect on January 1 of the year after entry into force of this Agreement for that Party, and each subsequent annual

stage of tariff reduction shall take effect on January 1 of each subsequent year.

4. (a) A Party for which this Agreement has entered into force pursuant to paragraphs 1, 2, or 3 of Article 30.5 (Entry into Force) (an “original Party”) may, with respect to a Party for which the Agreement has entered into force pursuant to paragraphs 4 or 5 of Article 30.5 (a “new Party”), either:
- (i) apply its Schedule to this Annex as if this Agreement had entered into force for both Parties on the date of entry into force of this Agreement for the new Party; or
  - (ii) apply its Schedule to this Annex as if this Agreement had entered into force for both Parties on the date of entry into force of this Agreement for the original Party.
- (b) If the original Party applies its Schedule as if this Agreement had entered into force for both Parties on the date of entry into force of this Agreement for the new Party pursuant to paragraph 4(a)(i), the new Party may apply its Schedule with respect to the original Party, either:
- (i) as if this Agreement had entered into force for both Parties on the date of entry into force of the Agreement for the new Party; or
  - (ii) as if this Agreement had entered into force for both Parties on the date of entry into force of this Agreement for the original Party.
- (c) An original Party shall, no later than 12 days after the date of the affirmative determination by the Commission referred to in Article 30.5.5 (Entry into Force) for a signatory, notify that signatory and all other Parties of its election under paragraph 4(a) with respect to the signatory. A signatory shall, no later than 24 days after the date of the affirmative determination by the Commission referred to in Article 30.5.5 for that signatory, notify all Parties of its election under paragraph 4(b) with respect to each original Party that notified its election to apply its Schedule pursuant to paragraph 4(a)(i) for that signatory.
- (d) An original Party that does not notify an election under subparagraph (a) as provided in subparagraph (c) shall, upon entry into force of this Agreement for the new Party, apply its Schedule to the new Party as provided in subparagraph (a)(ii). A new Party that does not notify an election under subparagraph (b) as provided in subparagraph (c) shall, upon entry into force of this Agreement for that new Party, apply its Schedule to the original Party as provided in subparagraph (b)(ii).
